RG104 E-1 Box 126 Feb-June 1882

Treasury Department,
BUREAU OF THE MINT,
Washington, D. C.,

March 1st., 1882

Sir:

Senator Ferry writes that " friends in Philadelphia want a woman named Theresa Dright to have work sewing bags in the Mint there," and asks if it can be done.

I forward his inquiry with the remark that you will, I doubt not, feel it a pleasure to give her employment if it can consistently be done.

Respectfully,

Horatio C. Burchard

Director.
